The Small-Pox in Maryland. SUBSIG DEVOTION OF A CATHOLIC PRIEST-FATAL CASES.

The Raltimore American publishes the the basic partial of the small-pox in Mary-di . . Dr. Charles W. Chancellor, secre-cy of the State Board of Health, returned me yesterday from Charles county, Md., are he went a few days ago to look after small-pox patients at Cox's station. eports of the sad plight of the victims the dread disease, he ascertained, were nowise exaggerated. The patients, in number, all of whom were colored, those cases were first reported, were found in a miscrable little cabin niles below Cox's station, and near terminus of the Baltimore and Petomae Their condition was pitiful in ne. From the day on which ruof their being sick spread through neighborhood they were left helpless, ile or recover, as Providence might It was not until they had been sick eral days that information of their helpcondition reached Rev. Father Mcceny, the Catholic priest of the parish, promptly took measures for their Regardless of the fact that he had General Buruside, senator from Rhode and the cablin of the sufferers and dild all he could to make them more confortable. When it became the formation is the confortable when it became the formation is the most triffing amount and the priest had been the formation in the most triffing and the could obtain the most triffing and though trivilually forbidden to enter any though the cablin in the woods, bearing such delicates and medicines as he could procure from the assisted the cables in the woods, bearing such delicates and medicines as he could procure from the assist of the war to interfere with his included whom the vicinity, Father Mesweeny belief cables in the woods, bearing such delicates and medicines as he could procure from the assist of the war to interfere with his configuration.

Sometime of the confort of the affiliated men, though trivilually forbidden to enter any though trivilually forbidden to enter any though in the woods, bearing such delications of the war to interfere with his prevented, and day after day visited the cable in the woods, bearing such delications of the same of the confort of the affine and the most process of the sale of public lands to Norfolk's rapid growth, especially in the cotton trade, and to the rapidly the proceeds of the sale of public lands to Norfolk's rapid growth, especially in the woods, bearing such delications of the season of the season of the sale of public lands to Norfolk's rapid growth, especially in the woods, bearing such delications of the season of the same of t who was with him in the city of Mexico. He bere testimony to his high integrity, unblemished honor, and sincere friendship. When Dr. Chance Her, who was accompanied by Dr. William F. Lockwood, reached the scene, they found that an additional the scene they found that an additional the scene they found that an additional the scene they found that an additional light miles from Cox's station. Dr.

Bank Stocks. Station of a six-days' raid on moonshiners in Pick-ens and Gilmer counties. Six distilleries were destroyed. When the speaker was reclected senator last winter by the Texas Legislature, Genlast winter by the Texas Legislature, Genlast winter by the Texas Legislature, Genlast of the scene, they found that an additional the scene discovered one and a last miles from Cox's station. Dr.

Bank Stocks. National of a six-days' raid on moonshiners in Pick-ens and Gilmer counties. Six distilleries were destroyed. When the State Department in reference to the were destroyed. The Secretary of the Navy said to-day that he will order the well members of the Jeannette's crew to prosecute the search for the missing boat. The sick are to be the President for all correspond calling on the President for all corresponded to a six-days' raid on moons been taken from this city. Dr. Lockwood also commenced vaccinating everybody in the vicinity, and sent out circulars through the country requesting every one to come into Cox's station, where he is located, in order to be vaccinated. Dr. Chancellor stated yesterday that he was confident that they provide the course of the disease,"

Maryland Republicans at the White House to-day.

Judge Folger says the President has nature, Judge Folger says the President has nave been thus arrested and imprisoned under a suspension of habeas corpus in Ireland; and, if not incompatible with the public interests, that he communicate such information as he receives, together with all correspondence now on file in the Destruction of the became Secretary did not roughen his nature, Judge Folger says the President has nave been thus arrested and imprisoned under a suspension of habeas corpus in Ireland; and, if not incompatible with the public interests, that he communicate such information as he receives, together with all correspondence now on file in the Destruction of the became Secretary did not roughen his nature, Judge Folger says the President has navely been thus arrested and imprisoned under a suspension of habeas corpus in Ireland; and, if not incompatible with the object interests, that he communicate such information as he receives, together with all correspondence now on file in the Destruction of the Burner of the House from Aldrich, his successor, closed the eulogies with an appropriate and feeling address.

Mr. Crowley, member of the House from Aldrich, his successor, closed the eulogies arrest or imprisonment of citizens as afore said.

An Important Discovery by a Young Scientist in Washington.

Another name has just been added to Washington's pealuses, and another triumph in science recorded to her credit. One of the gradest inventions of this age of rapid progress is that of a young man whom Washington will henceforth be proud to chain as her citizen. Dr. John A. Daly, a gentleman well known in this city, after months of study, hard work, after months of study, hard work.

With an appropriate and recong and the speeches of Senators Ransom and Hawley were excellent. Your correspondance in the speeches of Senators Ransom and Hawley were excellent. Your correspondance in has, during his sojourn in Washington.

New York, it is confidently reported will succeed Judge Folger as Secretary of the resolution 3 o'clock arrived, and the House suspended public business and proceeded as a special order to the delivery of eulogies upon the late Senator Burnside.

Enlegies were delivered by Messrs, Chace and Spooner, of Rhode Island; shows that a pure and honest legislator, without either brilliancy of mind or great attainments, may often make a more solid impression upon his fellow-members than after months of study, hard work, and recongular to the sub-committee on the late Senator Burnside.

Enlegies were delivered by Messrs, Chace and Spooner, of Rhode Island; STILL UNWELL, AND AN EARLY ADJOURNMENT ERGIST INTENSE AND THE COURT PACKED TO SUFFICIATION. the thousand-and-one discourage one possessed of great oratory and learn-vexations attendant upon the of bringing to the surface attirety unknown to science, has just The Uncetaws who protest against the action of their Legislature in granting a right of way flrowth the Indian Territory of the day, in the course of which he action of their Legislature in granting a right of way flrowth the Indian Territory of the ordinary subserver established places for the day, in the course of which he action of their Legislature in granting a right of way flrowth the Indian Territory of the ordinary subserver established places for the Louis and San Francisco railroad war to say, as he is to have the closing of the surface covered with, a plate of gold. This effectually and permanently does alway with the great injury so offer the Control of their control of the course of the Control of the course of the Control of Con
